I have read and I accept the [JetBrains Account Agreement](#)

I'd like to receive information about JetBrains products and JetBrains Academy, including invitations to related research ⓘ

By submitting this form, I acknowledge that the personal data I filled in will be processed for the purposes explained above and in accordance with the settings I selected. I can manage my consent preferences in [my profile](#), or use an unsubscribe link in each e-mail. Personal data will be processed by JetBrains s.r.o., in accordance with the [JetBrains Privacy Notice](#), and may engage [third parties](#) in such processing.

APPLY FOR FREE PRODUCTS

Follow the instructions in the email from JetBrains to proceed.

After you successfully set your account, you can go to <https://account.jetbrains.com/licenses> to check your account.

The screenshot shows the JetBrains Account interface. At the top, there's a navigation bar with the JetBrains logo, a user profile dropdown for 'weiqing guo', and links for 'Transactions / Invoices', 'Notifications', and 'Payment Methods'. A green notification bar at the top right says 'Two-factor authentication is available! To enable an extra layer of security for your JetBrains Account, turn on two-factor auth.' Below the navigation, a section titled '1 Educational Pack License' is displayed. It includes a 'Buy new license' button. The license details are as follows:

	<b>JetBrains Educational Pack</b>	License ID: [REDACTED]
Download ▾		
Licensed to:	weiqing guo	
License restriction:	For educational use only	
Valid through:	December 15, 2026	
Following products included:		
<ul style="list-style-type: none"><li>• CLion</li><li>• DataGrip</li><li>• DataSpell</li><li>• dotCover</li><li>• dotMemory</li><li>• dotTrace</li><li>• GoLand</li><li>• IntelliJ IDEA Ultimate</li><li>• PhpStorm</li><li>• PyCharm Pro</li><li>• ReSharper</li><li>• ReSharper C++</li><li>• ReSharper SQL support</li><li>• Rider</li><li>• RubyMine</li><li>• RustRover</li><li>• WebStorm</li></ul>		
After downloading and installing the software, simply run it and follow the on-screen prompts to sign in with your JetBrains Account.		

A red box highlights the 'IntelliJ IDEA Ultimate' item in the list of included products. The text 'We will use IntelliJ IDEA Ultimate as editor' is overlaid in red on the right side of the license details.

Your account page will show your license ID, valid date.

The screenshot shows the official IntelliJ IDEA website. At the top, there's a navigation bar with links for AI, Developer Tools, Team Tools, Education, Solutions, Support, and Store. Below the navigation is a secondary menu with What's New, Features, Resources, Pricing, and a prominent blue 'Download' button. This 'Download' button is highlighted with a yellow box. The main content area features a large, colorful abstract background graphic. Overlaid on this is the IntelliJ logo ('IJ') and the text 'IntelliJ IDEA'. Below this, a large heading reads 'The Leading IDE for Professional Development' in white, followed by 'in Java and Kotlin'. A 'Download' button is located at the bottom left of this section, also highlighted with a yellow box. Further down, a purple banner promotes 'IntelliJ IDEA goes AI' with the tagline 'Less routine, more coding joy.' It lists features like Coding Agent, Unlimited Code Completion, Offline Mode, Latest AI Models, Codebase Context, and Multi-File Edits. The 'Download' button here is also highlighted with a yellow box.

<https://www.jetbrains.com/idea>

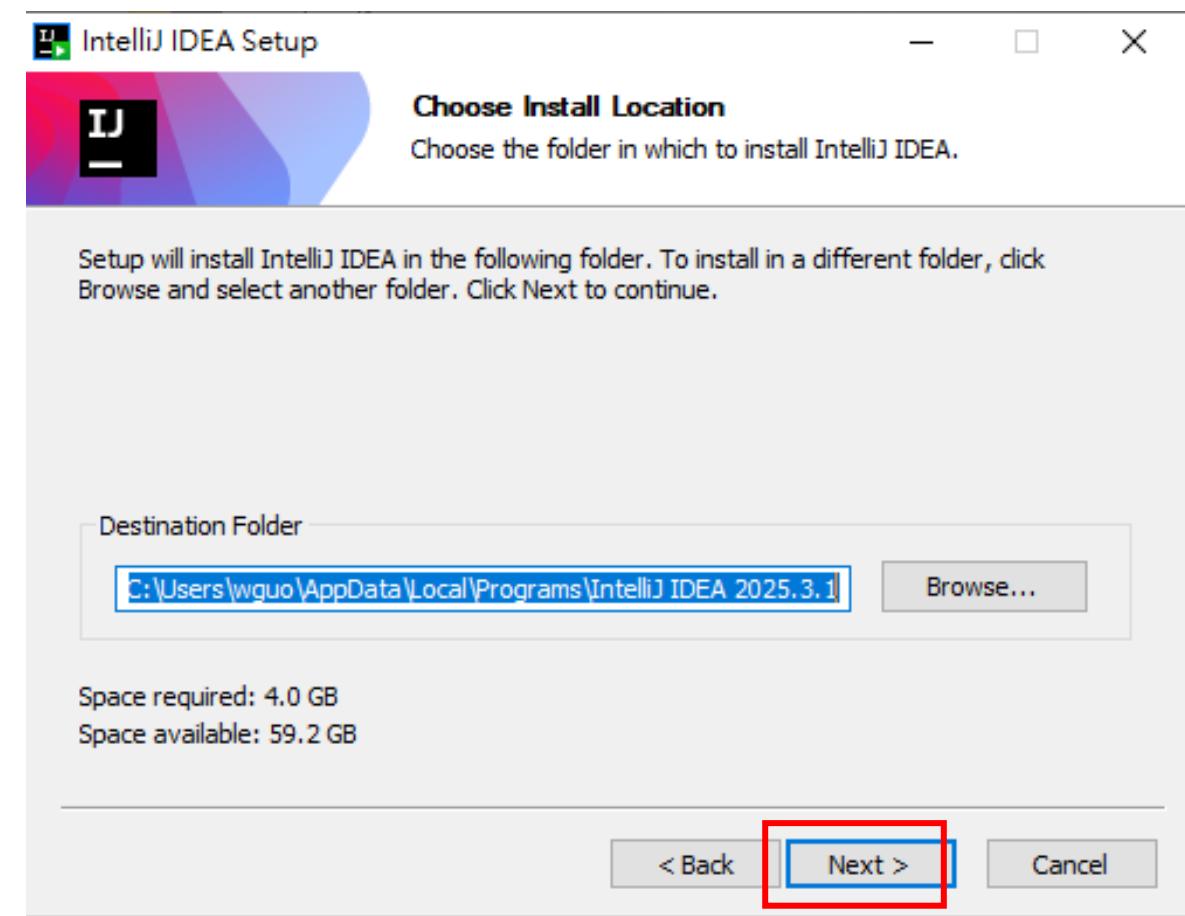

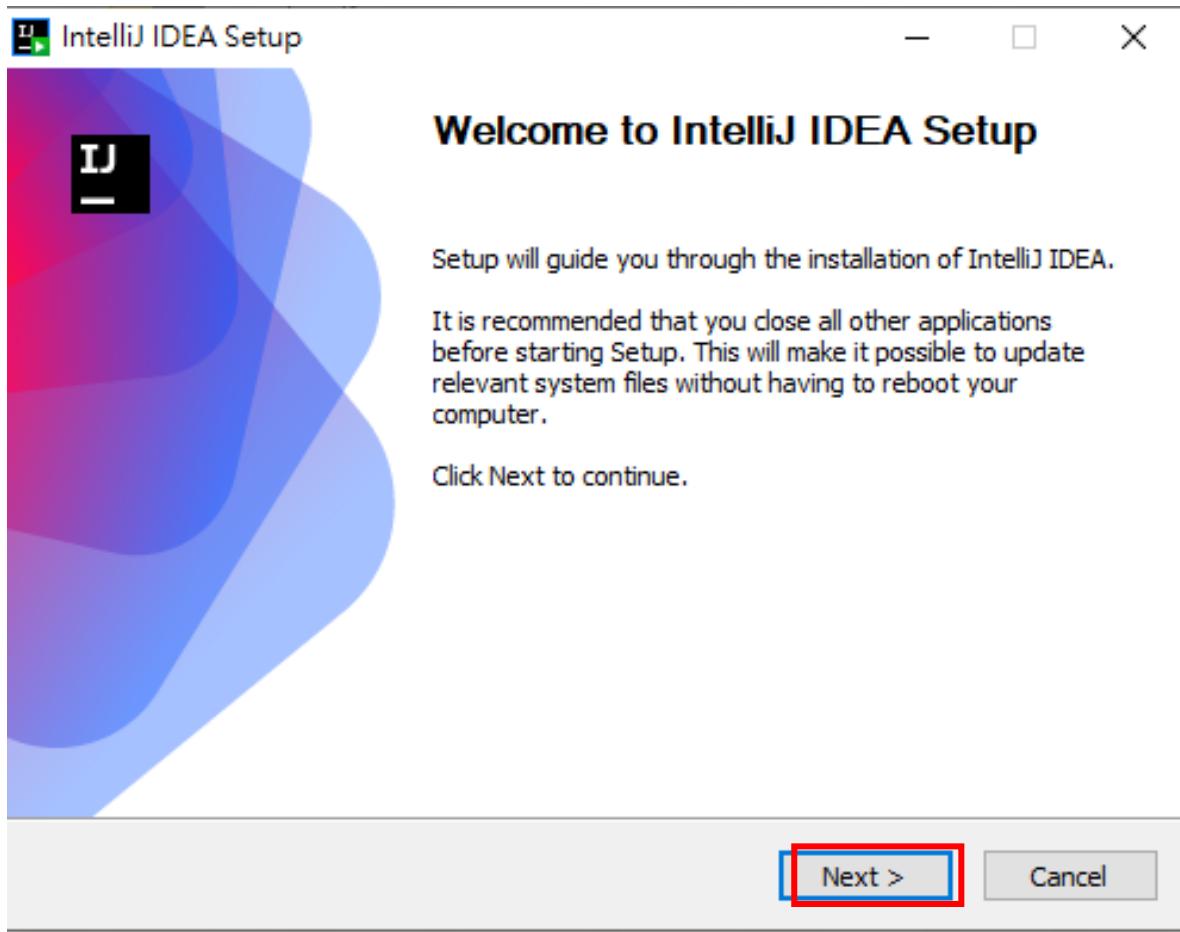

This screenshot shows the download page for the Mac OS X version of IntelliJ IDEA. The top navigation bar is identical to the main site. Below it, there are links for Windows, macOS, and Linux, with 'macOS' being the active tab. The main content area features the 'IntelliJ IDEA' logo and the text 'The Leading IDE for Professional Development in Java and Kotlin'. Below this is a 'Download' button, which is highlighted with a red box. To its right is a 'Mac OS X' download link. A note below states 'Free – with a 30-day Ultimate subscription trial included'. On the right side of the page, there's a screenshot of the IntelliJ IDEA interface showing code editor windows and a file browser. At the bottom, there are links for 'System requirements', 'Other versions', 'Installation instructions', and 'Third-party software'. The interface screenshot shows code for a 'PetClinicApplication' with classes like 'VistController.java', 'OwnerController.java', and 'OwnerRepository'. The code includes annotations like '@Entity', '@Table', and 'public String interactionName(MapString, Object model)'.

## IntelliJ IDEA is now a single, unified product.

Core Java and Kotlin features remain free, with even more functionality available at no cost. When you need advanced tools, simply unlock them with an Ultimate subscription – no switching editions, no extra setup.

Existing Ultimate users keep full access to all advanced features.
